OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once. Abstracts thereof will if required, be published in two subsequent issues.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, No. G. 622-32—G. M. 74-10-36, dated 27th July 1911, and Government Proceedings No. G 4914-23—G. M. 46-11-36, dated 18th March 1912, the English or the Kanarese portion of the *Mysore Gazette*, consisting of Parts I, III, V and VI only, as directed in G. O. No. G. 12401—P. & S. 1-18-51, dated 23rd December 1918, will be supplied to the Members of the Representative Assembly during their tenure of office as such Members, Shanbhogs, Patels, Nad Patels and Shekdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time. These subscribers will please note that the Gazette cannot be had *in separate Parts at* concession rates. Those who pay Rs. 2 per annum will have Parts I, III, V and VI only and those who require the other Parts will have to pay the *full* subscription fixed for the Part or Parts wanted; but those who pay Rs. 4 will get the entire copy of the Gazette.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

FINANCIAL.

No. Fl. 5102—*G. F.* 84-16-2, *dated 7th March* 1917.

3. Shimoga District Board Railway.
4. Chitaldrug Town Water-supply.

2. Intending purchasers and sellers of all these debentures may apply to the Assistant Comptroller in charge of the State Huzur Treasury, Bangalore.

3. The same conditions and procedure as are applicable to the transactions relating to Government Securities, laid down in Government Order No. Fl. 878-923—G. F. 491-11-2, dated 20th August 1912, reproduced below, will apply in their entirety to the sale and purchase transactions of all these Debentures.

4. Deputy Commissioners are requested to arrange for English and Kannada copies of this notification being posted in all District and Taluk Treasuries.

By Order,

Proceedings of the Government of His Highness the Maharaja of Mysore.

NO. FL. 878-923—G. F. 491-11-2, DATED BANGALORE, 20TH AUGUST 1912.

ORDER.—As there is reason to believe that sufficient facilities do not exist for bringing together persons wishing to sell and those wishing to purchase the securities appertaining to the State Loan of 1906-07, the Government are pleased to direct that the Comptroller should arrange to keep in the State Huzur Treasury a register in which should be noted all particulars including value, rate, etc., relating to the intended purchase or sale of the Mysore State Securities by any member of the public. Any one willing to purchase or sell such securities should communicate his desire to the Comptroller in the State Huzur Treasury Department with all necessary particulars whereon the necessary entries in the register aforesaid should be made. When the Comptroller finds from the entries in the register that he can accommodate an intending buyer and an intending seller, he will ask the buyer if he is willing to purchase the securities required at the rate fixed by the seller. The name and address of the seller and a brief account of his title to the paper obtained from him will also be furnished to the buyer. If he agrees and pays into the nearest treasury an amount sufficient to cover cost, interest accrued and commission, the seller will be requested to effect a suitable endorsement on the security and transmit it to the State Huzur Treasury. The security will then be transmitted to the buyer through the local treasury and the buyer will take delivery of it after examining the paper and scrutinizing the endorsements so as to be satisfied about the title. The money will afterwards be made payable to the seller from any treasury in the State according to his convenience.

2. If in any case the buyer does not take delivery of the paper, the purchase money will be refunded to him but the commission will be forfeited. The security will, in that case, be returned to the owner and the paper will be renewed, if required by him without any fee. As the Comptroller's Office will always have full information about papers and loss of which

by theft, etc., will have been notified, there will be no chance of such papers passing through the State Huzur Treasury and cases of intending buyers not taking delivery of the papers must be very rare.

3. The accrued interest from the beginning of the half-year up to the date of deposit of money by the buyer will be added to the buyer to the value of the security. He will, therefore, get interest on his money from the next day. The seller will have to lose interest for a few days till the sale money is actually paid to him from the treasury named by him. Against this, however, there will be the free transfer of money from one place to another.

4. A commission of $\frac{1}{16}$ per cent will be charged to the seller by the Comptroller and a similar commission to the buyer, both calculated on the face value of the security. The commission will be paid by the buyer along with the purchase money and the commission payable by the seller will be deducted by the Comptroller before the sale money is paid to the seller.

5. The rates of discount or premium at which transactions will be effected will depend on the rates at which buyers and sellers will come to agreement. Naturally sellers who offer to sell at the lowest rate will be able to sell first and similarly buyers who want to buy at the highest rate will get through their transactions most expeditiously.

J. S. CHAKRAVARTI,
Financial Secretary.

OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once. Abstracts thereof will if required, be published in two subsequent issues.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, No. G. 622-32—G. M. 74-10-36, dated 27th July 1911, and Government Proceedings No. G 4914-23—G. M. 46-11-36, dated 18th March 1912, the English or the Kanarese portion of the *Mysore Gazette*, consisting of Parts I, III, V and VI only, as directed in G. O. No. G. 12401—P. & S. 1-18-51, dated 23rd December 1918, will be supplied to the Members of the Representative Assembly during their tenure of office as such Members, Shanbhogs, Patels, Nad Patels and Shekdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time. These subscribers will please note that the Gazette cannot be had *in separate Parts* at concession rates. Those who pay Rs. 2 per annum will have Parts I, III, V and VI only and those who require the other Parts will have to pay the *full* subscription fixed for the Part or Parts wanted; but those who pay Rs. 4 will get the entire copy of the Gazette.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

11. The rates of subscription to the Gazette, which are payable *in advance*, are as follow:—

OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If space, copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once. Abstracts thereof will if required, be published in two subsequent issues.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. Under Government Proceedings No. 2633-41--Mis. 558, dated 21st August 1900, No G. 622-32—G. M. 74-10-36, dated 27th July 1911, and Government Proceedings No. G 4914-23—G. M. 46-11-36, dated 18th March 1912, the English or the Kanarese portion of the *Mysore Gazette*, consisting of Parts I, III, V and VI only, as directed in G. O. No. G. 12401—P. & S. 1-18-51, dated 23rd December 1918, will be supplied to the Members of the Representative Assembly during their tenure of office as such Members, Shanbhogs, Patels, Nad Patels and Shekdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time. These subscribers will please note that the Gazette cannot be had *in separate Parts* at concession rates. Those who pay Rs. 2 per annum will have Parts I, III, V and VI only and those who require the other Parts will have to pay the *full* subscription fixed for the Part or Parts wanted; but those who pay Rs. 4 will get the entire copy of the Gazette.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. Under Government Proceedings No. 2633-41--Mis. 558, dated 21st August 1900, No. G. 622-32—G. M. 74-10-36, dated 27th July 1911, and Government Proceedings No. G 4914-23—G. M. 46-11-36, dated 18th March 1912, the English or the Kanarese portion of the *Mysore Gazette*, consisting of Parts I, III, V and VI only, as directed in G. O. No. G. 12401— P. & S. 1-18-51, dated 23rd December 1918, will be supplied to the Members of the Representative Assembly during their tenure of office as such Members, Shanbhogs, Patels, Nad Patels and Shekdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time. These subscribers will please note that the Gazette cannot be had *in separate Parts* at concession rates. Those who pay Rs. 2 per annum will have Parts I, III, V and VI only and those who require the other Parts will have to pay the *full* subscription fixed for the Part or Parts wanted; but those who pay Rs. 4 will get the entire copy of the Gazette.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. Under Government Proceedings No. 2633-41--Mis. 558, dated 21st August 1900, No. G. 622-32—G. M. 74-10-36, dated 27th July 1911, and Government Proceedings No. G 4914-23—G. M. 46-11-36, dated 18th March 1912, the English or the Kanarese portion of the *Mysore Gazette*, consisting of Parts I, III, V and VI only, as directed in G. O. These subscribers will please note that the Gazette cannot be had *in separate Parts* at concession rates. Those who pay Rs. 2 per annum will have Parts I, III, V and VI only and those who require the other Parts will have to pay the *full* subscription fixed for the Part or Parts wanted; but those who pay Rs. 4 will get the entire copy of the Gazette.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. Under Government Proceedings No. 3633-41—Mis. 558, dated 21st August 1900, No. G. 622-32—G. M. 74-10-36, dated 27th July 1911, and Government Proceedings No. G. 4914-23—G. These subscribers will please note that the Gazette cannot be had *in separate Parts* at concession rates. Those who pay Rs. 2 per annum will have Parts I, III, V and VI only and those who require the other Parts will have to pay the *full* subscription fixed for the Part or Parts wanted; but those who pay Rs. 4 will get the entire copy of the Gazette.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

FINANCIAL.

No. Fl. 5102—*G. F.* 84-16-2, *dated* 7*th March* 1917.

Government are pleased to notify for the information of the public that the facilities afforded to effect purchases and sales of securities appertaining to the Mysore State Loan of 1906-07 are extended to the following debentures:—

1. Kolar District Railway.
2. Chitaldrug District Board Railway.
3. Shimoga District Board Railway.
4. Chitaldrug Town Water-supply.

2. Intending purchasers and sellers of all these debentures may apply to the Assistant Comptroller in charge of the State Huzur Treasury, Bangalore.

3. The same conditions and procedure as are applicable to the transactions relating to Government Securities, laid down in Government Order No. Fl. 878-923—G. F. 491-11-2, dated 20th August 1912, reproduced below, will apply in their entirety to the sale and purchase transactions of all these Debentures.

4. Deputy Commissioners are requested to arrange for English and Kannada copies of this notification being posted in all District and Taluk Treasuries.

By Order,

Proceedings of the Government of His Highness the Maharaja of Mysore.

NO. FL. 878-923—G. F. 491-11-2, DATED BANGALORE, 20TH AUGUST 1912.

ORDER.—As there is reason to believe that sufficient facilities do not exist for bringing together persons wishing to sell and those wishing to purchase the securities appertaining to the State Loan of 1906-07, the Government are pleased to direct that the Comptroller should arrange to keep in the State Huzur Treasury a register in which should be noted all particulars including value, rate, etc., relating to the intended purchase or sale of the Mysore State Securities by any member of the public. Any one willing to purchase or sell such securities should communicate his desire to the Comptroller in the State Huzur Treasury Department with all necessary particulars whereon the necessary entries in the register aforesaid should be made. When the Comptroller finds from the entries in the register that

he can accommodate an intending buyer and an intending seller, he will ask the buyer if he is willing to purchase the securities required at the rate fixed by the seller The name and address of the seller and a brief account of his title to the paper obtained from him will also be furnished to the buyer If he agrees and pays into the nearest treasury an amount sufficient to cover cost, interest accrued and commission, the seller will be requested to effect a suitable endorsement on the security and transmit it to the State Huzur Treasury The security will then be transmitted to the buyer through the local treasury and the buyer will take delivery of it after examining the paper and scrutinizing the endorsements so as to be satisfied about the title The money will afterwards be made payable to the seller from any treasury in the State according to his convenience

2 If in any case the buyer does not take delivery of the paper, the purchase money will be refunded to him but the commission will be forfeited The security will, in that case, be returned to the owner and the paper will be renewed, if required by him without any fee As the Comptroller's Office will always have full information about papers and loss of which by theft, etc, will have been notified, there will be no chance of such papers passing through the State Huzur Treasury and cases of intending buyers not taking delivery of the papers must be very rare

3 The accrued interest from the beginning of the half-year up to the date of deposit of money by the buyer will be added to the buyer to the value of the security He will therefore, get interest on his money from the next day The seller will have to lose interest for a few days till the sale money is actually paid to him from the treasury named by him. Against this, however, there will be the free transfer of money from one place to another

4 A commission of $\frac{1}{4}$ per cent will be charged to the seller by the Comptroller and a similar commission to the buyer, both calculated on the face value of the security The commission will be paid by the buyer along with the purchase money and the commission payable by the seller will be deducted by the Comptroller before the sale money is paid to the seller

5 The rates of discount or premium at which transactions will be effected will depend on the rates at which buyers and sellers will come to agreement Naturally sellers who offer to sell at the lowest rate will be able to sell first and similarly buyers who want to buy at the highest rate will get through their transactions most expeditiously

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, No. G. 622-32—G. M. 74-10-36, dated 27th July 1911, and Government Proceedings No. G 4914-23—G. M. 46-11-36, dated 18th March 1912, the English or the Kanarese portion of the *Mysore Gazette*, consisting of Parts I, III, V and VI only, as directed in G. O. No. G. 12401—P. & S. 1-18-51, dated 23rd December 1918, will be supplied to the Members of the Representative Assembly during their tenure of office as such Members, Shanbhogs, Patels, Nad Patels and Shekdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time. Such subscribers will please note that the Gazette cannot be had *in separate Parts* at concession rates. Those who pay Rs. 2 per annum will have Parts I, III, V and VI only and those who require the other Parts will have to pay the *full* subscription fixed for the Part or Parts wanted; but those who pay Rs. 4 will get the entire copy of the Gazette.

6 As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday noon, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript. If spare copies exceeding 100 in number are required, the department concerned should supply the required quantity of paper.

3. Matter sent for insertion in the Gazette will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. Under Government Proceedings No. 2633-41--Mis. 558, dated 21st August 1900, No. G. 622-32—G. M. 74-10-36, dated 27th July 1911, and Government Proceedings No. G 4914-23—G. M. 46-11-36, dated 18th March 1912, the English or the Kanarese portion of the *Mysore Gazette*, consisting of Parts I, III, V and VI only, as directed in G. O. No. G. 12401-- P. & S. 1-18-51, dated 23rd December 1918, will be supplied to the Members of the Representative Assembly during their tenure of office as such Members, Shanbhogs, Patels, Nad Patels and Shekdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time. Such subscribers will please note that the Gazette cannot be had *in separate Parts* at concession rates. Those who pay Rs. 2 per annum will have Parts I, III, V and VI only and those who require the other Parts will have to pay the *full* subscription fixed for the Part or Parts wanted; but those who pay Rs. 4 will get the *entire* copy of the Gazette.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

9. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

10. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

FINANCIAL.

No. Fl. 5102—G. F. 84-16-2 dated 7th March 1917.

3. The same conditions and procedure as are applicable to the transactions relating to Government Securities, laid down in Government Order No. Fl, 878-923—G. Proceedings of the Government of His Highness the Maharaja of Mysore.

NO. FL. 878-923—G. F. 491-11-2, DATED BANGALORE, 20TH AUGUST 1912.

ORDER.—As there is reason to believe that sufficient facilities do not exist for bringing together persons wishing to sell and those wishing to purchase the securities appertaining to the State Loan of 1906-07, the Government are pleased to direct that the Comptroller should arrange to keep in the State Huzur Treasury a register in which should be noted all particulars including value, rate, etc., relating to the intended purchase or sale of the Mysore State Securities by any member of the public. Any one willing to purchase or sell such securities should communicate his desire to the Comptroller in the State Huzur Treasury Department with all necessary particulars whereon the necessary entries in the register aforesaid should be made. When the Comptroller finds from the entries in the register that he can accommodate an intending buyer and an intending seller, he will ask the buyer if he is willing to purchase the securities required at the rate fixed by the seller. The name and address of the seller and a brief account of his title to the paper obtained from him will also be furnished to the buyer. If he agrees and pays into the nearest treasury an amount sufficient to cover cost, interest accrued and commission, the seller will be requested to effect a suitable endorsement on the security and transmit it to the State Huzur Treasury. The security will then be transmitted to the buyer through the local treasury and the buyer will take delivery of it after examining the paper and scrutinizing the endorsements so as to be satisfied about the title. The money will afterwards be made payable to the seller from any treasury in the State according to his convenience.

2. If in any case the buyer does not take delivery of the paper, the purchase money will be refunded to him but the commission will be forfeited. The security will, in that case, be returned to the owner and the paper will be renewed, if required by him without any fee. As the Comptroller's Office will always have full information about papers and loss of which by theft, etc., will have been notified, there will be no chance of such papers passing through the State Huzur Treasury and cases of intending buyers not taking delivery of the papers must be very rare.

3. The accrued interest from the beginning of the half-year up to the date of deposit of money by the buyer will be added to the buyer to the value of the security. He will therefore, get interest on his money from the next day. The seller will have to lose interest for a few days till the sale money is actually paid to him from the treasury named by him. Against this, however, there will be the free transfer of money from one place to another.

4. A commission of $\frac{1}{16}$ per cent will be charged to the seller by the Comptroller and a similar commission to the buyer, both calculated on the face value of the security. The commission will be paid by the buyer along with the purchase money and the commission payable by the seller will be deducted by the Comptroller before the sale money is paid to the seller.

5. The rates of discount or premium at which transactions will be effected will depend on the rates at which buyers and sellers will come to agreement. Naturally sellers who offer to sell at the lowest rate will be able to sell first and similarly buyers who want to buy at the highest rate will get through their transactions most expeditiously.

J. S. CHAKRAVARTI,
Financial Secretary.

No. Fl. 4133—*G. F.* 173-18-1, *dated* 22*nd February* 1919.

The following appeal from His Excellency the Viceroy of India asking for further subscriptions to the Imperial War and Relief Fund is published for general information.

It is hoped that the Public of Mysore will render all the assistance possible.

By Order,
J. S. CHAKRAVARTI,
Financial Secretary to Government.

HIS EXCELLENCY THE VICEROY'S APPEAL.

The time has now come for India to consider how best she can aid her soldiers who have fought and suffered in the War. On the occasion of the meeting which was held at Simla on November the 12th to celebrate the signing of the armistice with Germany, I said, in the course of my speech :—

"But what of India? She has played a great and noble part in the struggle. She was early in the field helping to stem the rush of the Teutonic hordes, and she has been in at the end, and her troops largely contributed to the staggering blow in Palestine which first caused our foe to totter to his fall.

"And now, lest we forget, we owe our victory to those who have fallen and have made the supreme sacrifice. We must see to it that those who are dependent on them do not want. We owe victory to those who have been crippled and maimed and blinded in the war. We must see to it that they do not want. India's heart goes out to the suffering, and I know she will not fail me when later I appeal to her for them."

The Government of India have done their utmost to help those who have suffered. They have, since the commencement of this war, materially increased the wound and injury pensions and family pensions of the Indian Army. Facilities, too, have been given for the education of sepoys' children. It will, however, be readily understood that State assistance can only be given according to strict rules and regulations. In applying these rules, which are necessary to safeguard the public purse, Government cannot well take into account the varying domestic circumstances of the pensioners. Although no money payment can make up to the bereaved family for the loss of the breadwinner, nor to the invalided soldier for the loss of a limb or an eye, I feel confident that there are many thousands in India who will desire to show in a practical form their thankfulness for their release from the horrors of this war and from the grave dangers which have assailed the liberties of the world, as well as their spirit of gratitude to those gallant soldiers to whose efforts and suffering this release is largely due This they can best do by giving liberally towards the Imperial Indian Relief Fund, which has as its object the easing of the burden which now lies so heavily on many of those who fought for the Empire and on the dependents of those who have fallen.

The Committee of the Imperial Indian Relief Fund, of which I am President, have carefully considered how they can best afford relief to the various classes who have suffered through the war. We have prepared, in consultation with those best qualified to advise us, a scheme which aims at assisting each class, and so far as possible each member of that class, according to their degree of necessity. Our scheme aims at bringing help to—

(*a*) All Indian officers, non commissioned officers and men and followers who have been invalided out of the army on account of wounds or injuries received in the war, and the widows and dependents of those who have fallen ;

(*b*) the widows and dependents in straitened circumstances of British officers of the Indian Army and the Indian Army Reserve, and of the members of certain other European services.

For the former category the Committee believe that assistance can best be given in the form of lump sum donations rather than by small additions to their pensions. The judicious investment of a sum of ready money will, we believe, materially assist the recipients to increase their means of livelihood and so secure to them a greater return and a more assured economic position than would be attained by a slight increase to the sum they receive from the State.

The generosity of the public has enabled the Relief Fund to do much in the way of granting temporary relief during the war. A large sum, amounting to some 83 lakhs of rupees, has already been expended in this way. The balance in the hands of the Central Fund at the present time is rather less than Rs. 80 lakhs.

We find that, in order to give full effect to our scheme, we need not less than another 100 lakhs of rupees. It is a large sum of money, but I believe that the warm heart of India will respond willingly and generously to the call which I now make on behalf of her soldiers.

The Fund has always been administered without distinction of race or creed. Its object from the first has been the relief of distress arising out of the war. It is an object which cannot fail to rouse the sympathy of all citizens of this Empire ; and I confidently appeal to the Princes and the people of India to give freely and thus to show, now that victory has been won and peace is assured, that they are not unmindful of the claims of those whose sacrifices of life or limb have, under God, helped to win this victory and to assure to us the blessings of peace.
